DEDICATION

It is difficult to write a dedication to a living person, someone who is stepping out of the educational limelight and into the shadows and semi-obscurity of retirement. What impact has his presence had? What does the future hold for us and for him? Against what might we measure his successes or his failures.

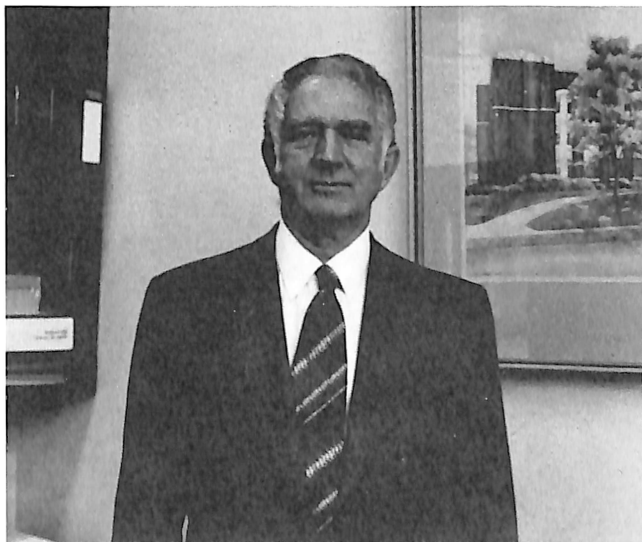

Donald McCahill hopes to be remembered for having supported *all* activities at S.C.I.T.S. and for promoting in his quiet and often subtle ways, the social side of student and teacher life. Improving interpersonal relationships among members of the S.C.I.T.S. family has been another of his goals especially since he has always prided himself in his ability to assess individuals and their needs. Helping people achieve *their* goals has been another of his personal accomplishments. In return, he has received the support of teachers and students alike. He is a results-oriented person as his accomplishments, and those of his staff members and students will attest.

The "Mr. McCahill" we know is the result of a varied career. He spent five years in the Service during World War II. He entered a teaching career in Hamilton, Ontario, but left to join management at Imperial Oil here in Sarnia. He returned to the education scene in 1964 and taught at S.C.I.T.S. In 1970 he was promoted to the position of vice-principal at Alexander MacKenzie where he remained until he returned to S.C.I.T.S. in 1974 as vice-principal. In 1975 he succeeded Mr. Saunders as principal.

Contrary to what many may think, the life of a principal is stressful, and to offset this, Mr. McCahill has sought to balance his life of people with another side of life that involves things — antiques. It is in this hobby that he intends to remain active once he leaves the education scene.

His special "treats" for his staff, student groups, teams, and individuals will be remembered as will his generosity in time and money to those who had a project that never would have come to fruition without his support.

We at S.C.I.T.S. hope that Mr. McCahill will find personal satisfaction and reward in his retirement, and that he will serve as a bench mark against which we will measure our new principal and his accomplishments.

Mr. McCahill

ALL HAIL THE CHIEF . . .

This year, 1984-85, has been a tremendous year for S.C.I. & T.S. Academic awards and athletic championships have been many. However, the school is changing.

We are losing the fine group of students, by graduation, who came to us 1979 and 1980 and by transfer from the closing of Central. They have been the core of this year's successes.

This means there is a tremendous challenge to our remaining students to take their places.

Nothing in life stands still. It either becomes more or becomes less. I am sure that the challenge will be met and S.C.I. & T.S. will be bigger and better than ever in 1985-86. After all the motto of S.C.I. & T.S. since 1922 has been "Sic Itur Ad Astra" — Thus man rises to the stars.

D. McCahill, Principal

As the staff advisor to this year's Ad Astra, I have had the pleasure of watching the student staff go through a valuable learning experience. Dealing with deadlines and the multitude of problems associated with the job has kept Ed and his staff on their toes.

Congratulations and thanks to these hardworkers for their time and effort in producing an excellent account of this year's S.C.I. & T.S. activities. My thanks to fellow teachers and the many students who also contributed.

Gavin Hall, Staff Advisor

My part in the production of the Ad Astra '85 is my personal "Thank You" to the school that gave me five great years of education. I would like to thank my staff, especially my assistant editors and my lay-out chief, in helping with this year's book. Production went

smoothly, or at least I thought it did.

Due to some unforeseen circumstances, some individual student pictures are not in alphabetical order. Oh well, "The best laid plans of mice and men . . .". Again, thanks to everyone and anyone who contributed to Ad Astra '85.

Ed.

Thanks to:

Heather Pole, Sue Fraser, Kathy Scott, Bill Seto, Graham Scott, Jim Cruickshank, John Cruickshank, John Bailey, Dave Brandon, Heather McVicar, Kathy Gates, Jamie Crow, Lisa Walker, Doug Grant, Marie Anne Crevier, Mrs. Kivi & her "Pep" class, Nettos Ramos, Colleen McDonald, Mrs. Lukey, Mrs. Yorke, Mr. Shuster, Bill Chong and Haines Printing.

DISCIPULI SUMUS

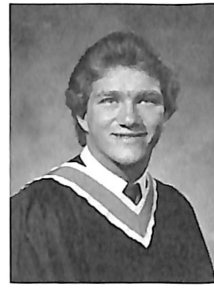

**Tina
Martin**

Tina is a sportsaholic. Some say she's Bobby Orr and the SCITS badminton, volleyball and soccer team all rolled into one. Census Canada says she'll amount to something but no one knows what.

Everyone thinks of Brett as a shy, easy-going, innocent brain. You may change your opinion, however, if you ask him what he was doing stuck up in a tree after commencement.

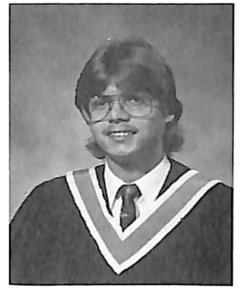

**Brett
Mason**

**Mark
McGugan**

Wayne admires and regrets only three men - his father, Brian Mulroney, and Jack Daniels.

"McGoo" enjoyed his many years (6) at SCITS. While here, he majored in sports and is now debating whether or not to return for a diploma.

**Wayne
McKinnon**

**Sue
McNeil**

Sue is a good friend who is always there when you need her. Sue's philosophy of life is 'sometimes you just have to sit back and say, What the @#!'.

One of Karen's famous lines is, "He's cute, but does he have Cons?" She and Tick are the only grade 13's who have to show I.D. to get into a Walt Disney movie.

**Karen
Nisbet**

**Jim
Oliver**

Anny-O wouldn't have made it this far if it weren't for the boys at SCITS. They give her that "get up and go" attitude.

Is Ollie really in Grade 13?

**Anne
Oleniuk**

**Jennifer
O'Rourke**

"Smiley" was on a co-op program this year at Guelph studying 'Vargology'. We think Jennifer should be a beachwear consultant instead of a occupational therapist.

As chairman of ~~ETA~~ fraternity Glenn has contributed greatly to making lunch hour at SCITS a gratifying experience for many.

**Glenn
Paradis**

**Dan
Plain**

Heather has had five years of excellent marks. (Is she really a luck guesser?) The 'Revue' will miss Heather's behind-the-scenes help.

It's hard to feel sorry for Dan when he claims he hasn't studied for a test. He'll probably only pull off a 95!

**Heather
Pole**

**Kevin
Pomeroy**

Let's have a moment of silence for our dearly departed Kevin who left us to attend Northern for the second semester.

"Prince" is the only person in the school with three eyebrows, a harem, and a puck-green 'scarymobile'. Next year he plans to go to university with his harem and find a dog with a nice personality.

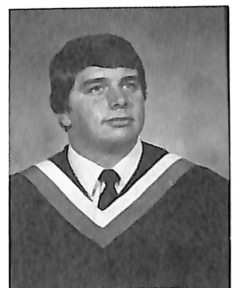

**Jim
Poore**

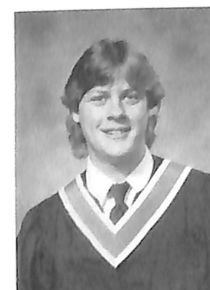

**Steve
Rand**

"Moo" has made 'huge' contributions to school life for six great years. The BAA, football and basketball teams, the Revue and Mr. Hall will miss his super efforts. The desks at SCI will breathe a sigh of relief, too!

Steve is a SCITS triple Co-op student. He works part-time at school, part-time at McDonalds and part-time at Jill's.

**Tim
Purdy**

**Scott
Rhude**

As treasurer of the ~~ETA~~ fraternity, "Duder's" job was to supply the materials in order to help 'chex' work through the lunch hour.

Alias "Tick", this red-headed bombshell can be seen in any town chasing any male wearing Polo cologne and Converse shoes.

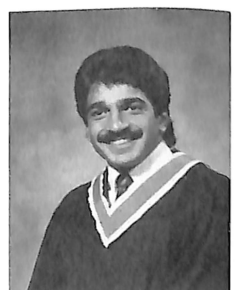

**Carol
Richardson**

**Ron
Rivait**

"T.R." has accomplished a great deal since leaving his tank in Lebanon. No one in the school can believe he's as beautiful as he says he is. May the girls at university 'beware' of this hunk.

Will the 'Revue' ever be the same without him? Ron's sense of humour and ability to B.S. will be missed. Hopefully, his professors at university will appreciate his talents.

**Tony
Rizkallah**

ANNO DOMINI 1985

**Rene
Robertson**

Rene's ability to 'pig out' and not gain a single pound is the envy of all.

"Tux" is a 'do-nothing' SCITS student. He's done nothing this year - except being involved in band, volleyball, basketball, curling, plus yearbook, commencement and student-board committees.

**Ed
Seto**

**Lee Ann
Shayko**

Alias 05736, Todd is noted for getting into trouble at Mac's Milk stores and while working part time at Corunna Gas Bar. All are praying that Todd will become a successful businessman someday.

Lee Ann ain't goin' back to English class no more! But after having found the limits to all mathematical equations she hopes to study business administration.

**Todd
Simpson**

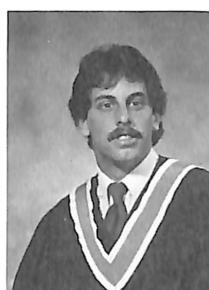

**Kelly
Smalls**

Is this Kelly or Kevin? Can you tell?

Is this Kevin or Kelly? Can you tell?

**Kevin
Smalls**

**Rod
Sowerby**

"Beaker" has got lots of guts but still isn't allowed to play football. Lynn can be found in the shadows of her giant boy friend.

As 'Ambassador' of the 11 fraternity, it is Abe's job to check out foreign night clubs for his fraternity.

**Lyn
Strangway**

**Steve
Thomas**

Steve's debut as an actor in the Drama Club ensures a career as an official 'bookie' since he has better luck at betting on everything - even the exact date of Mr. McCahill's retirement.

Known as 'the informer', Jill is the first person to be approached if the latest gossip is needed. She is always one step ahead of the National Enquirer.

**Jill
Thomson**

**Meletis
Vavaroutsos**

Diann is a shy, quiet girl that you hardly ever notice. Her preferences include Singapore Slings, art, clean-shaven mechanics, and her computer.

Alias Mr. Rogers, Mel is SCITS' newest party reptile. He excels in baseball, the trampo-line and art. In ten years, look for Meletis' work in the Sunday comics or on the big screen.

**Diann
Virostek**

**Lisa
Walker**

"Chuka" spent most of the year crashing into walls, sharing ketchup chips and displaying her beautiful chimp toes. Next year she will retire the feared No. 53 and move to U of G.

Lori has always had a good set of lungs. She cheers loudly, talks loudly and always screams at the SCITS Revue. She is never with her boyfriend and therefore, he gets lonely.

**Lori
Windover**

**Jodi
Woods**

Shari plans to pursue a career in law enforcement. If that fails, she can always fall back on her previous career as 'Bingo Queen'.

Jodi can usually be found at Global Donut in Corunna. She says she'll give free donuts to anyone who reads her caption and asks her out on a date.

Life of a Minor Niner

The first day arrived, no more fooling around. Grade nines were the target so we stayed near the ground.

The halls were so big, and the grade nines so small.

We were covered with makeup and eggs and stayed to one end of the hall.

Our teeth were all chattering, and so wide were our eyes.

The grade nine tortures were coming, it was no big surprise.

They all seems so big, all twenty foot two. These are the SCITS giants, for we've seen Tim-You-Know-Who!

"Now pushing a penny isn't so bad," they say. It's that sitting in a locker 24 hours a day. The halls were so large, we were half in a daze. From elevator passes, to tech. alley and the SCITS hall maze.

We learned right away that niners were minors, and we're smallest of all.

But remember we'll be grade tens the very next fall.

We won't let you forget the tortures you put us all through.

Remember one important thing, "Out with the old and in with the new!"

SPORTS: The Year In Review

BLUE BOMBERS 84-85

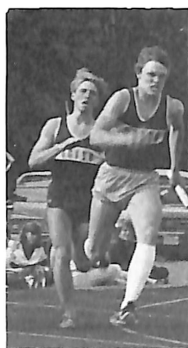

COACH'S COMMENTS

The Blue Bomber Track Team did quite well this season. The team defended thier titles at the "Tartan Field Meet" and the "St. Clair Field Meet". Many individaul members excelled at the L.S.S.A.A. and W.O.S.S.A. meets. Seventeen members went on to the All Ontario Meet in Toronto.

Bonnie Brooks, with eight records, led the onslaught of breaking twenty existing school records along with Barb Marchuk, Mark Monkhouse, Chris Anderson, Monique Haslip, Carla White and Trevor Hall. The Midget girls' 4 x 100 team of Sabrina Fitzsimmons, Lynn Wallace, Carla White and Tracy Bramwell also broke the school record.

Coaches Farina and Hall urge everyone to "Join the Team in '86 and Catch the Bombers' Track Attack"!

TRACK AND FIELD 1985

Look Out Below!

— CURLING —

The girls' curling team completed their second season with an improvement over last year. Jennifer Plumridge was the only returning player on this year's team. The girls played a double round robin schedule and finished the season in fifth place. Go get 'em in 85-86!

Girls' Curling: Jennifer Plumridge, Stephanie Haley, Kelly Cain, Katie Graham, Chris Kennedy (spare)

The boys curling team played their first full season - also a double round robin schedule. Our boys competed against many 'club' curlers to finish a respectable fifth place. We will be looking for new members for the 85-86 season.

Boys' Curling: Bert Richards, Ed Seto, Deepak Dath, Wayne McKinnon, Jeff Anderson (spare)

— JUNIOR GIRLS' BASKETBALL —

Back row (l-r): Lyn Wallace, Monique Haslip, Sabrina Fitzsimmons, Cathy Arcuri, Heidi Negri, Cheryl Condie, Tracey Bramwell

Front row (l-r): Maureen Robertson, Mr. Demeter (coach), Kelly Buchanan, Amy Demeter (mascot), Penny Thomson, Mr. Seguin (asst. coach), Carrie Gordon

In 1984-85 S.C.I. & T.S. Bluebombers Junior Girls' Basketball team was led by twin towers, Kelly Buchanan and Kathy Arcuri to the finest season ever.

For the first time since the inception of 'AA' basketball for girls, 12 years ago, the Junior Girls finished first in regular season league play.

A season highlight was a smashing 56-40 thumping of arch-rival, St. Pat's in Tillsonburg which terminated the Irish 103 game consecutive victory streak, in Ontario, against Ontario teams.

With a thrilling last-second basket, the Bluebombers upset Etobicoke Collegiate by one point, to win the Olympia Camp Invitational.

Three times finalists: at Amherstburg, at Northerm and in their own tournament, the Bluebombers became the only team in Ontario to defeat St. Patrick's three times this year. They also included an upset over Hamilton Transway, to win the Scarborough Summer Sun Classic.

The Bluebombers easily won the W.O.S.S.A. Consolation Award after dropping a two-point loss to London in the Semi-finals.

— JUNIOR GIRLS' VOLLEYBALL —

The '84-85 edition of the Junior Girl's Volleyball Team was a serious contender in the L.S.S.A.A. league. Although the team finished fourth in the final standing, they had beaten both the second and third place teams during the season. The girls also put up a tough fight against the first place Northern team in the semi-finals. All in all, our talented and dedicated S.C.I. & T.S. Juniors had a very successful season.

Back row (l-r): Miss Kostaniuk, Julie McKinnon, Sabrina Fitzsimmons, Kelly Buchanan, Caroline Willy, Charla Caine, Ann Fraser, Mrs. Young

Front row (l-r): Cheryl Condie, Lynn Wallace, Sarah Robinson, Tracy Timeck, Lisa Leaver, Kelly Gordon

— CROSS COUNTRY —

The Cross Country Team increased in size, strength and spirit in the 1984-85 season. It is being recognized at S.C.I. & T.S. for the tough, demanding sport that it is. The S.C.I. & T.S. team again provided stiff competition for the other schools in Lambton County. The team spirit and determination to win led S.C.I. & T.S. to many victories and hopefully will continue on to lead to more wins in the future years.

Back row: Erin White, Lil Brooks, Teresa Federico, Richard Mason, Ed Goodacre, Brad Lawrence, Rick McKinnon

2nd row: Mrs. Ruffilli, Mr. Bennett, Greg Lawrence, Stephanie Haley, Kathy Gates, Heather McVicar, Pual Chapple, Kathleen Robertson, Rick Graham, Tim McCarthy

Front row: Julie McKinnon, Lisa Hunter

Missing: Tom Fisher, Jeff Burtch, Mike Ainsworth, Roger Nilson

— SENIOR GIRLS' BASKETBALL —

The '84-85 Senior team had their most successful year and ended the season with a second place finish in the league standings. The girls lost to St. Pats in the Lambton Secondary School Athletic Association finals, but advanced to the W.O.S.S.A. playoffs for the first time in memory. Although the team is losing such stalwarts as Denise Jones, Sue Fraser, Lisa Walker, and Teresa Leaver, coaches Hall and McLellan are looking forward to a strong showing by next years 1985-86 Bombers.

Back row (l-r): Lisa Walker, Denise Jones, Lisa Leaver, Lisa Roth, Teresa Leaver, Shannon Robertson
Front row (l-r): Miss Faulkner, Sarah Robinson, Sue Fraser, Tina Bryant, Mary Souroukis, Sandra Worsley, Mr. McLellan, Mr. Hall

— SENIOR GIRLS' VOLLEYBALL —

Congratulations to the Senior Girls' Volleyball team for a very exciting and competitive season. The girls always gave 100 percent both on and off the court. Team-work and determination paid off for the team, resulting in many victories — one of which included Forest. (One of the top ranked teams in Lambton County)

Although many of the girls are off to university, the returning veterans and players from the Jr. squad will provide a powerful threat in next year's team. Beware of the SCITS Senior Girls' Volleyball team of 1985-86!

Back row (l-r): Shannon Robertson, Cindy Nickels, Carrie Mackenzie, Denise Jones, Lisa Walker, Kathleen Robertson, Leanne Charlton
Front row (l-r): Kim McKinnon, Jill Thomson, Tina Martin, Bonnie Brooks, Crystal Jones
Missing: Barb Marchuk, Lori Windover, Colleen Kennedy

— BADMINTON —

Mr. Hazzard had a large number of students show up for the Wednesday evening practices at the beginning of the season.

The players took part in a series of tri-meets to lead up to the L.S.S.A.A. and W.O.S.S.A. championships.

Team players, Tom Davey, Scott Hartley, Clare South, Mark Janjatovic, Lisa Leaver, Teresa Leaver, Tina Martin, Denise Jones, Steve Thomas, Kathy Arcuri, Chris Lamb, Stacey Robertson, and Dave Archer all made it to W.O.S.S.A.

Tom Davey and Scott Hartley placed third at W.O.S.S.A. finals.

This year, the team held their first annual Blue Bombers Doubles Tournament with eleven schools participating.

Congratulations to Mr. Hazzard and all of the team members for a fine year.

Team members: Scott Hartley, Tom Davey, Steve Thomas, Denise Jones, Wayne McKinnon, Tina Martin, Teresa Leaver, Lisa Leaver, Bill Seto, John Bailey, Dave Archer, Stacey Robertson, Andria Astolfi, Julie McKinnon, Chris Lamb, Kathy Arcuri, Stephanie O'Rourke, Jim Lambley, Brad Lawrence, Trevor Hall, Kathleen Robertson and Coach Hazzard

— JUNIOR GIRLS' SOCCER —

Back row: Shelley Smith, Marieanne Vidler, Tara Sutton, Tracey George, Tony Rizkallah (Coach), Maria Federico, Cathy Federico, Sabrina Fitzsimmons, Carolyn Willey, Cheryl Condie, Darlene Langford
 Second row: Holly Jackson, Rima Rizkallah, Marie Sourokis, Erika White, Carle White, Debbie Potter
 Front row: Chris Storey, Kara Warnez, Maureen Robertson, Lisa Haycock

All the girls on the junior soccer team are very good listeners. When the coach (who lost his voice every game) yelled to move back, the all moved back - but not til after the game! Chris' 'OOOH's' entertained the whole team during the season. All the girls are talented athletes. I, as a student coach, am honoured to coach such a fine bunch of girls.

— SENIOR GIRLS' SOCCER —

Congratulations to the senior soccer team for a fine season. Although the wins were few, the effort put out by the girls was always of winning style. The girls lost some tough games by margins of one goal. The offence gave new meaning to the word "pass" and "shoot". As for the defence, they gave new meaning to the work "hockey". The girls never backed off and were always ready to fight (for the ball).

Back row: Tony Fais (coach), Crystal Jones, Leanne Charlton, Kim McKinnon, Heather McVicar, Lisa Roth, Kim Craig, Stacey Hopwood, Tina Bryant, Lori Windover, Tina Martin
 Front row: Jill Thompson, Stacey Maclean, Lynn Strangway, Brenda Boyland, Tammy Green, Chris Boyd
 Missing: Tami Marchuk, Kim Norland

Front row (l-r): Frank Adams, Phil Varghese, Rene Patterson, Tim Nantais, Gerald Ryan, Jason Charlton, Bob Sauve, Art Daborn
 Second row (l-r): Shawn Trobridge, Shane Kameka, Kirk Bothwell, Doug Boyce, Tony Fais, John Drew, Paul Annison, Mike Ainsworth, Jim Cruickshank, Duane Charlton
 Third row (l-r): Louis Laroque, Doug Carter, Dave Robson, Pat Thompson, Jim Bell, Jim Oliver, Pete Alnon, Mr. Wm. McNamara (coach)
 Back row (l-r): James Clarke, Pat Gardner, Kevin Dunouchel, Jim Dawson, Jeff Nutt, Ryan Robinson, Jake Cherski, Greg Jones, Brad Cicchini, Jim Babjak
 Missing: Mark Fairbairn, John Robston, Brian Hansen, Dan Henne

— WRESTLING TEAM —

The Wrestling team was very successful in 1984-85. The members won the Northern Invitational Wrestling Meet, the St. Clair Purple and White Colt Classic and L.S.S.A.A. Championships. The team placed a strong second at the W.O.S.S.A. Championships and placed well in many other prestigious tournaments during the year.

Individual Highlights:

1. Bob Suave, Tony Fais, Tim Nantais, Jim Bell, and Gerald Ryan were L.S.S.A.A. Champions.
2. Tony Fais was a W.O.S.S.A. Champion with Bob Sauve and John Drew each placing second.
3. Tony Fais finished fourth at O.F.F.S.A. with Bob Sauve seventh and John Drew ninth.

Next year looks very promising for the S.C.I. & T.S. Wrestling with many excellent wrestlers returning.

Comments . . .

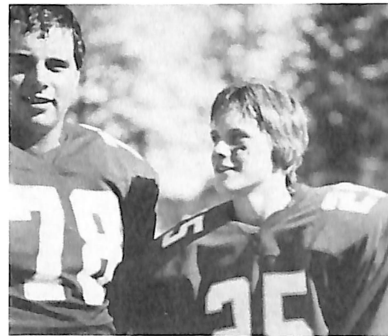

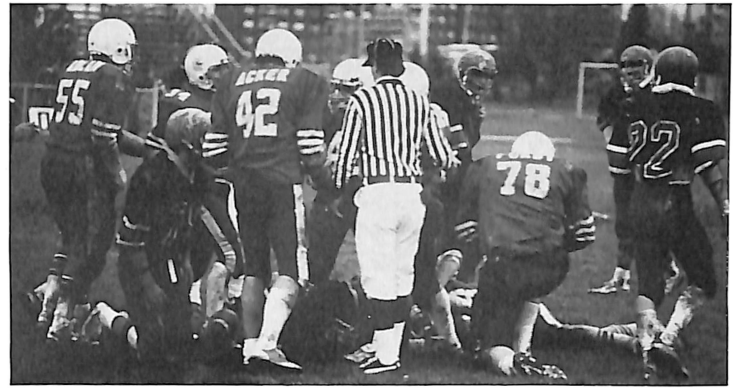

The Senior Blue Bombers extended their winning streak to 27 games this year. Their 8-0 season was capped by a stunning come from behind overtime victory against the Northern Vikings. This 21-20 victory marked the third consecutive year that the senior squad had captured the Norm Perry Galloping Ghost Trophy along with the Mattingly Trophy, enblimatic of placing first during the regular season.

Though the team is losing many veteran allstars, it is hoped by the coaching staff, that next year's Blue Bombers can bring home a fourth championship.

Comments . . .

SCITS had four Cheerleading Squads during the 1984-85 school year. (Senior, Junior, Midget and Bouser Squad) Over fifty girls participated in many school activities including cheering at games, painting posters, organizing pep rallies and helping out at parent's night. Way to go, girls!

Cute, Rob!

From Brazil

Justino Netto

I confess that when I first arrived in Canada, I was completely shocked. I had never seen so much snow nor felt so cold. Afterwards, these things became insignificant due to the human warmth that I encountered.

My first day at SCITS was a new beginning for me. I could make many comparisons between SCITS and my school back in São Paulo. For example, I found many technical courses here that are not available in my highschool and found being able to practice these crafts very enriching. Also, the majority of teachers here are more at ease with their students, perhaps due to class size. In Brazil, it ranges from 36-45.

Not only did I have to get used to the weather here, but I also had to deal with going to school from 8:40 to 3:05. Wow, was this a change! I was used to going from 7:30 to 12:30 and having the afternoon free to study, shop or go to the BEACH!

Concerning Canadian and Brazilian teen-agers, I've found some interesting things. When it comes to partying, music and sports, there are few differences - Brazilians, too, like rock and roll, new wave and Micheal Jackson, but above all, we enjoy our national sport of soccer, or *futbôl*, as we call it.

One thing that I admire and envy very much is that there are no major differences in Canadian social classes. Most people are in the middle-class and live comfortably, but in Brazil, we have extremes: rich capitalist, a middle class, and a low, low class. There are those, too, who live on the street.

To me, this will be an experience I shall learn a great deal from and cherish. I have had the opportunity to come from a Latin society into a North American society. I've noticed many differences and similarities between the two cultures. Yet one thing that we have in common is that we all strive to make ourselves and our country the best possible. I've had the chance to learn many new things, have many new experiences and become friends with very caring and warm people - the Canadian people.

Thank you!

S.C.I. & T.S. had an active gymnastic club from early October until late April. The club members met twice a week during lunch hour. Maria and Teresa Mikola spent many hours coaching and encouraging the other gymnasts. The club demonstrated its abilities and skills for everyone at the S.C.I. & T.S. Revue.

The advisors for this year's gymnastic club were Miss Faulkner, Mrs. Kivi and Mr. Rome.

We hope that next year, Mrs. Kivi will demonstrate her log roll for the club.

Four members of the club, Shannon Robertson, Teresa Mikola, Maria Mikola and Julie McKinnon went to the W.O.S.S.A. and O.F.F.S.A. with Shannon and Teresa placing in the finals.

STRIVING TO BUILD THE LEADERS OF TOMORROW

"We are all blind until we see
That in the human plan,
Nothing is worth the making
If it does not make the man.
Why build these cities glorious
If man unbuilt goes?
In Vain we build the world unless
The builder also grows," . . .

WE WISH YOU SUCCESS AND HAPPINESS

MUSIC

The perfect blends of sounds create music. Anything less is noise. The perfect blend of audio components creates a valuable stereo system. Anything less will not be sold by St. Clair Stereo.

At St. Clair stereo we have a full line of stereo and video equipment ready to demonstrate.

Come on in and play, and if you have any questions and you want straight answers, see the professionals.
